

Welcome to the 2010 NAIGC National Gymnastics Championships, hosted by the Texas State Gymnastics Club at Texas State University, San Marcos. This year's 22nd annual NAIGC National Championships will be the largest held to date, bringing together 57 clubs and more than 650 competitors from across the country. Countless hours of planning and preparation have been invested in an effort to make this year's Championships as successful and memorable as possible. We invite you to take advantage of all that Austin and San Antonio have to offer and truly hope that Nationals 2010 proves to be an enjoyable and rewarding experience for everyone involved.

Enjoy, and good luck!

About the Host Team

The Texas State Gymnastics Club was established in 1968, making it one of the oldest sports clubs in the history of Texas State University. In 1993 the club hosted their first NAIGC National Championships in which their women's team placed 1st. Now Texas State University is proud to host the NAIGC National Championships once more and welcomes all competitors to enjoy the beautiful campus and community available in San Marcos.

For more information about the Texas State Gymnastics Club and the university, please check out their website at <http://www.TexasStateGymnastics.com>

About the NAIGC

The National Association of Intercollegiate Gymnastics Clubs is a volunteer organization dedicated to the promotion and support of collegiate club gymnastics. The NAIGC operated as an unofficial entity for nearly two decades, but has recently become more organized, a move necessitated by the tremendous growth of collegiate club gymnastics in recent years. As recently as 2006, the NAIGC was incorporated as a non-profit organization, and qualified for tax-exempt status in 2008.

The NAIGC is currently run by a dedicated group of volunteers -- an elected board of directors comprised primarily of current and former collegiate gymnastics club participants, and an additional group of appointed advisors. The NAIGC provides support to all collegiate gymnastics clubs through its various information and technical resources -- the NAIGC website, email listserve, message board, newsletter, competition guidelines, meet scoring software, and online registration tools that are available to all member clubs. The NAIGC also provides financial and logistical support for Nationals, and maintains the Nationals event website. NAIGC's directors have been working alongside Texas State's gymnastics club leaders to collectively ensure that this year's annual NAIGC Nationals is both professional and memorable, and it is our sincere hope that you enjoy what we have all put together.

Club Membership in the NAIGC is open to any collegiate gymnastics club in the United States; individual membership is open to anyone with an interest in collegiate club gymnastics. For more information, please visit our website at <http://www.naigc.net>

Dear Participants:

It is with great pleasure I welcome you to the campus of Texas State University. It is a privilege to be hosting the NAIGC National Championships at our newly expanded Student Recreation Center.

Texas State is proud of our Student Recreation Center, one of the finest in the nation, and a cornerstone for student life on campus. It provides our campus community with a plethora of recreational and healthy lifestyle opportunities. One of those opportunities is the Sport Club program, specifically our gymnastics club, which has a long rich history here at Texas State. Hosting this event will allow us to enhance that tradition.

This gymnastics meet includes athletes from across the nation, enabling you to participate in quality competition. But more than competition, it affords you the opportunity to meet people with diverse backgrounds that share your passion for the sport. This passion creates the expectation to give your all, strive for success and demonstrate good sportsmanship, the very nature of sport clubs. In addition, participation in this meet will give you lasting memories to take and carry through life.

Enjoy the moment: make friends and best of luck!

Sincerely,

Dr. Glenn Hanley
Director of Campus Recreation

Susan Narvaiz
Office of the Mayor

Dear Friend,

As Mayor of the City of San Marcos, I would like to personally welcome you to our beautiful city. San Marcos is a destination of choice. Our fast-growing community has everything to offer- world class shopping, entertainment, restaurants, recreation, museums and a wonderful downtown.

I invite you to experience the jewel of our city- the San Marcos River. Swim, tube, kayak, canoe, or just take a leisurely stroll down its peaceful banks. Our recently reconstructed tube chute at Rio Vista Falls is the perfect backdrop for a fun and relaxing afternoon.

During your stay, be sure to take advantage of Texas' best shopping. San Marcos is home to both the Tanger and Prime Outlet Centers, the third most-visited attraction in the State of Texas. If something unique is more your style, check out the boutiques and gift shops in our historic downtown district.

Again, welcome to San Marcos! We are excited to have you here, and we know you'll enjoy taking part in the unique attractions that can only be found in the City of San Marcos.

Sincerely,

A handwritten signature in blue ink that reads "Susan Narvaiz".

Susan Narvaiz
Mayor
